The following motion was proposed by Commissioner Morris and seconded by Commissioner Sauvigne.

RESOLVED THAT the Board of Commissioners adopted a resolution to amend Resolution #F69-20 (meeting #13-20) Policy Authorizing Employee Gifting of Accrued but Unused Comp Time, Vacation Days and Sick Days to Fellow Employees who Suffer Catastrophic Illness or Injury to now include previously banked sick days or an employee’s current year’s allotment time.

**Policy Authorizing Employee Gifting of
Accrued but Unused Comp Time, Vacation Days
And Sick Days to Fellow Employees
Who Suffer Catastrophic Illness or Injury**

From time to time, employees of the Fire District, including those who are members of a Collective Bargaining Unit (a "Union Employee"), and those who are not members of a Collective Bargaining Unit, but who hold full-time employment positions with the Fire District ("Non-Union Full-time Employees" or “NUFTE”), experience catastrophic illnesses or injuries

which require such an employee (each, an "Affected Employee") to consume all of his or her vested and available paid time off, including comp time, vacation days, and sick days. For purposes hereof, "comp time" shall mean time off in compensation for certain hours worked to which a Union Employee or a NUFTE is entitled pursuant to the terms of his or her employment with the Fire District.

Under such circumstances, fellow employees of an Affected Employee may be willing to contribute to the Affected Employee accrued but unused comp time, vacation days and sick days to which such fellow employees are entitled (each, a "Contributing Employee"). Fellow employees may elect to donate sick time from their previously banked sick days or their current year's allotment.

The Board of Commissioners, upon application by both the Contributing Employee(s) and the Affected Employee, may elect to allow the transfer of all or a portion of the accrued but unused comp time and/or vacation days and/or sick days proposed for transfer (as approved for transfer, "Transfer Days").

Upon approval of any such contribution, the Contributing Employee shall cease to have any rights in or to those Transferred Days, and the Affected Employee shall be entitled to use same for his or her own benefit, in the manner and to the extent that he or she would be entitled to use comp time, vacation days and sick days accrued directly to his or her benefit pursuant to the terms of his or her employment with the Fire District, subject to the restriction set forth below.

Notwithstanding any contrary provision contained herein, or in any employee handbook, collective bargaining agreement, individual employment contract, or any other resolution or policy adopted by the Board of Commissioners, or to which the Board of Commissioners is a party, no Affected Employee shall be deemed to accrue comp time, vacation days, personal days or sick days with respect to any period of time during which the Affected Employee is consuming Transfer Days from any Contributing Employee as contemplated hereunder.

The Board of Commissioners retains the right, in all instances, to disapprove all or any portion of any such proposed contribution of accrued but unused comp time, vacation and sick days to the extent that the Fire Board determines the disallowing of same to be in the best interests of the Fire District and its tax payers.

This policy is originally enacted effective as of March 3, 2020.
