The Board of Commissioners reviewed and discussed, a resolution passed at meeting #89-26W on April 11, 1989 and updated meeting #14-22F on March 29, 2022, where an employee or official that has duplicate health coverage provided by another governmental employer either through employment or marital status, the practice of paying the employee or official the equivalent of what the District's normal cost is or would have been in providing that employee, inclusive of his or her spouse, with medical insurance equal to that provided to other employees.

With input from counsel with respect to conditions for eligibility, and the 'rule of necessity' enabling all commissioners to vote on matters in which all Commissioners are potentially interested, Commissioner Morris proposed, and Commissioner Sauvigne seconded the following **RESOLUTION**:

WHEREAS, the Board of Commissioners of the Manhasset-Lakeville Water and Fire Districts (the "Board") must from time to time enact or amend policies that affect some or all Board members in a manner that may warrant recusal or abstention by the Board members with respect to such Board action;

WHEREAS, the Board previously enacted a policy to incentivize employees and elected officials who are eligible for health insurance coverage through the Districts to elect to obtain health insurance coverage elsewhere (often through health insurance available to the employee or official through another employer, or through the employer of a family member of the employee);

WHEREAS, such Board policy (the “Opt-Out Policy”), offers a payment to an employee who so opts out of health insurance through the Districts, in an amount that is significantly less than would be the District’s share of the premiums payable for such employee (and, where applicable, such employee’s family) to obtain health insurance through the Districts;

WHEREAS, the Board finds that the Opt-Out Policy furthers the interests of the Districts and their taxpayers by reducing substantially the amount expended by the Districts to provide health insurance to its eligible employees and officials, while enabling the Board to find and retain qualified personnel;

WHEREAS, the Board further finds that the rapidly increasing costs to provide health insurance to District employees and officials has made the Opt-Out Policy more important and beneficial to the District than it was when initially adopted, such that the amount of the incentive payment thereunder should be increased in response to such costs, in order to advance the goal of the Opt-Out Policy; and

WHEREAS, while the Board members, who are eligible for health insurance and, therefore, the opt-out payments contemplated under the Opt-Out Policy, ordinarily would recuse themselves from voting on any amendment to such Opt-Out Policy in light of their interest in the outcome, the Board would be unable to act with respect to the Opt-Out Policy if the Board members recused themselves;

WHEREAS, counsel has advised the Board that the Doctrine or Rule of Necessity permits the members of a board to act on certain matters in which they have real or potential interests if recusal by such board members would prevent the Board from acting on the matter due to lack of a quorum legally required to enable the Board to vote on the matter;

WHEREAS, counsel has advised the Board that the Rule of Necessity is often invoked in situations in which action must be taken regarding compensation by a legislative, judicial or administrative body, and the individuals required to take the action are themselves included in the group interested in the result of the action, as is the case in the matter of amending the Opt-Out Policy;

WHEREAS, the Board notes that actions by the Board are subject to judicial review in an Article 78 proceeding, in which the reasonableness of the Board’s action will ordinarily enable the action to withstand legal challenge; and

WHEREAS, the Board believes that the reasonableness of the action hereby taken will be sufficient for any reviewing body to uphold the action, notwithstanding the need for board members interested in the outcome to vote on the matter;

NOW, THEREFORE, it is hereby DETERMINED as follows:

1. The Board of Commissioners hereby amends the Opt-Out Policy Compensation. The annual opt out compensation is two thousand five hundred dollars (\$2,500.00) per year for an employee who is not eligible for family coverage, and who elects to opt

out of individual coverage, and for an employee who is eligible for family coverage and who elects to take individual coverage. The annual opt out compensation is five thousand dollars (\$5,000.00) per year for an employee who is eligible for family coverage and who elects to opt out of all health insurance through the District. The OPT OUT incentive will be paid in two installments in March and September. In the event of a less than full year OPT OUT the amount of the OPT OUT Incentive will be prorated.

Employees who which to participate must:

- Request to participate in writing
- Acknowledge in writing that the employee and/or dependents are covered by another health insurance policy. Proof of coverage can be provided to the Business Manager
- Acknowledge they will not be eligible to re-enroll until the next open enrollment period, unless a qualifying event takes place

2. The Superintendent is hereby authorized and directed to incorporate the foregoing amendment of the Opt-Out Policy in an Amended and Restated form of Opt-Out Policy, and to take such other actions, and to execute and deliver such documents and instruments as he determines to be necessary or appropriate in order to effectuate the foregoing resolution.

The adoption of the foregoing Resolution (#F13-25) was duly put to a vote on roll call, which resulted as follows:

The following resolution was discussed, approved and adopted this evening.

On MOTION of Commissioner Morris, seconded by Commissioner Sauvigne, the following resolution was adopted,

RESOLVED,

WHEREAS, heretofore, the Policy of this District, in ensuring ethical conduct from its officers and employees, has been its reliance on the standards of conduct set forth in the applicable provisions of Article 18 of the General Municipal Law, and

WHEREAS, this Board now believes that the most practical method of ensuring compliance with such standards requires the adoption of a Code of Ethics for the District, based upon the standards set forth in the General Municipal Law and it ratifies and confirms the code in the form attached to these minutes.

NOW, THEREFORE, the Board of Commissioners of Manhasset-Lakeville Fire District hereby adopts the policy of Code of Ethics for the Manhasset-Lakeville Fire District, and directs the Supervisor of the Fire District to deliver via the employee handbook, to each current officer and employee of the District a copy of said Code and to serve a copy on each new officer and employee when he or she joins the District.

Ratifying Availability of Defense and Indemnity Benefits of Public Officers Law Section 18

After discussion, upon motion duly made and seconded, the Board of Commissioners of the Manhasset-Lakeville Districts jointly,

RESOLVED, as follows:

SECTION 1.

The Board of Commissioners of the Manhasset-Lakeville Fire District desire to ratify and confirm that the benefits of Section 18 of the New York State Public Officers Law, as amended and expanded by the provisions hereof, are, and shall continue to be, available to all of the Employees of the Manhasset-Lakeville Fire District, and each such District agrees to be liable for the costs incurred by its employee, under the provisions of Section 18 of the Public Officers Law, as amended and extended hereby.

SECTION 2.

The term "Section 18 of the New York State Public Officers Law" means the provisions of said Section as enacted by Chapter 277 of the Laws of 1981, as same has been or may be amended and in effect from time to time.

SECTION 3.

The term "Employee" for purposes of this resolution shall be deemed to include all persons defined as "employee" pursuant to Section 18 of the New York State Public Officers Law, including, without limitation, any Commissioner, member of a public board or commission, trustee, director, officer, employee, volunteer expressly authorized to participate in a publicly sponsored volunteer program, or any other person holding a position by election, appointment or employment in the service of a public entity, whether or not compensated, but shall not include an independent

contractor. The term “employee” shall include a former employee, his estate or judicially appointed personal representative.

SECTION 4.

Defense. Upon compliance by an employee with the provisions of Section 6 of this resolution, the District which employs such employee shall provide for the defense of the employee in any civil action or proceeding in any state or federal court arising out of any alleged act or omission which occurred or is alleged in the complaint to have occurred while the employee was acting within the scope of his public employment or duties, or which is brought to enforce a provision of Section 1981 or Section 1983 of Title 42 of the United States Code. This duty to provide for a defense shall not arise where such civil action or proceeding is brought by or on behalf of the District.

Upon compliance by an employee with the provisions of Section 6 of this resolution, the employee shall be entitled to be represented by counsel to the District, or if so determined by the Board of Commissioners of such District, by special counsel; provided, however, that the employee shall be entitled to representation by private counsel of his choice in any civil judicial proceeding whenever counsel to the District determines, based upon his investigation and review of the facts and circumstances of the case, that representation by counsel to the District or by special counsel would be inappropriate or whenever a court of competent jurisdiction, upon appropriate motion or by a special proceeding, determines that a conflict of interests exists and that the employee is entitled to be represented by private counsel of his choice. Counsel to the District shall notify the employee in writing of any determination that the employee is entitled to be represented by private counsel. Counsel to the District may require, as a condition to payment of the fees and expenses of such representation, that appropriate groups of such employees be represented by the same counsel. If the employee or group of employees is entitled to representation by counsel under the provisions hereof, counsel to the District shall so certify to the Board. Reasonable attorney’s fees and litigation expenses shall be paid by the District to such private counsel from time to time during the pendency of the civil action or proceeding, subject to certification that the employee is entitled to representation, under the terms of this resolution, by the Board. Any dispute with respect to representation of multiple employees by a single counsel, or with respect to the amount of litigation expenses or the reasonableness of attorneys’ fees, shall be resolved by the court upon motion or by way of a special proceeding.

Where the employee delivers process and a request for defense assistance to the District, counsel to the District shall take the necessary steps, including retention of private counsel under the terms and conditions provided in this resolution, on behalf of such employee to avoid entry of a default judgment pending resolution of any question pertaining to the obligation to provide for a defense.

SECTION 5.

Indemnification. Such District shall indemnify and save harmless its employee in the amount of any judgement obtained against him in any state or federal court or in the amount of any settlement of a claim for lawful damages, provided that the act or omission to act from which such judgement or settlement arose occurred while the employee was acting within the scope of his

public employment or duties; the duty to indemnify and save harmless described by this section shall not arise where the injury or damage resulted from intentional wrongdoing on the part of the employee.

An employee represented by private counsel shall cause to be submitted to the Board of Commissioners any proposed settlement which may be subject to indemnification by the District, and if not inconsistent with the provisions of this resolution, the Board shall certify such settlement and submit such settlement and certification to counsel to the District. Counsel to the District shall review such proposed settlement as to form and amount, and shall give his approval if, in his judgement, the settlement is in the best interests of the District. Nothing in this resolution shall be construed to authorize the District to indemnify or save harmless an employee with respect to a settlement not so reviewed and approved by counsel to the District.

Upon entry of a final judgement against the employee, or upon the settlement of the claim, the employee shall cause to be served a copy of such judgement or settlement, personally or by certified or registered mail, within 30 days of the date of entry or settlement, upon the Board of Commissioners, and if not inconsistent with the provisions of this resolution, such judgement or settlement shall be certified for payment by the District. If counsel to the District concurs in such certification, the judgement or settlement shall be paid by the District.

SECTION 6.

Cooperation required. The duty to defend or indemnify and save harmless prescribed by this resolution shall be conditioned upon (a) delivery to the District business office manager, by the employee, of the original or a copy of any summons, complaint, process, notice, demand or pleading within 10 days after such employee is served with such documents, and (b) the full cooperation of the employee in the defense of such action or proceeding, and in defense of any action or proceeding against the District based upon the same act or omission to act, and in the prosecution of any appeal. Such deliveries by the employee to the District shall be deemed a request by the employee that the District provides for his defense pursuant to this resolution.

SECTION 7.

Insurance Unaffected.

The provisions of this resolution shall not be construed to impair, alter, limit or modify the rights and obligations of any insurer under any policy of insurance issued to the District.

SECTION 8.

Applicable to all Actions and Proceedings, now or hereafter Pending. The provisions of this resolution shall apply to all actions and proceedings pending upon the effective date hereof or hereafter instituted.

SECTION 9.

No Impairment of other Rights or Immunities. The provisions of this resolution shall not be construed in any way to impair, alter, limit, modify, abrogate or restrict any immunity available to or conferred upon any unit, entity, officer or employee of the District or any right to a defense or indemnification, or both, provided for any governmental officer or employee by, in accordance with or by reason of any other provision of law, rule or regulation.

SECTION 10.

Effect upon Rights of other Parties and other Laws. The benefits of this resolution shall inure only to employees as defined herein, and shall not enlarge or diminish the rights of any other party, nor shall any provisions of this resolution be construed to affect, alter or repeal any provisions of the Workers' Compensation Law.
