Resolution on Incentive Policy for Voluntary Termination of Employment

WHEREAS, the Board of Commissioners (the “Board”) has determined that the interests of the District, its residents and taxpayers will be promoted by offering financial incentives to encourage employees who have attained a certain combined minimum age and years of service as an employee of the District, and have annual compensation not less than \$55,000, to voluntarily terminate their employment with the District, thereby yielding savings to the District through reduced personnel costs; and

WHEREAS, pursuant to, among other applicable laws, rules and regulations, Civil Service Law § 163(4) and General Municipal Law § 92-a, and as contemplated under NYS Compt. Op. No. 2000-4, the Board is authorized to adopt a voluntary termination of employment incentive program, which is not intended, and shall not be deemed, to constitute a “retirement system,” for purposes of the NYS Retirement and Social Security Law;

NOW, THEREFORE, it is hereby RESOLVED, as follows:

1. For purposes hereof, an “Eligible Employee” shall mean each employee of the District who, during the period commencing October 1, 2023, through December 31, 2023 (the “Incentive Period”): (i) has attained the minimum age of 60; (ii) receives compensation at an annual rate not less than \$55,000.00; and (iii) has completed at least 7 years of employment with the District.
2. During the Incentive Period, each Eligible Employee, upon reaching the age of 60, may elect to terminate his or her employment with the District effective not later than December 31, 2023, and thereby become entitled to the financial incentives described below.
3. Each such Eligible Employee who so elects (a “Participant”) shall, upon ceasing to be an employee of the District during the Eligible Period, be entitled to the following:
 - (a.) payment in an amount equal to the greater of (i) \$15,000, or (ii) \$600 multiplied by the number of full years of employment with the District that he or she has completed, in either case, as applicable, net of all income tax and other applicable payroll withholding;
 - (b.) payment by the District of 100% of NYSHIP health insurance premiums for the Participant for so long as he or she is enrolled in NYSHIP coverage, for the level of coverage (e.g., family or single coverage) that the Participant was enrolled for at the time of termination of employment, regardless of whether the Participant is required to contribute toward such premiums while an active employee; provided, however, that in the event that the Participant thereafter reduces the level of coverage, the District shall be responsible only for such reduced level of coverage; provided, further, that in the event that the Participant is enrolled with NYSHIP at the time of the passing of the Participant and the Participant leaves a surviving spouse or other dependent(s) covered by NYSHIP at the time of the Participant’s passing, the District shall be responsible for 75% of the NYSHIP premiums to continue

coverage for such surviving spouse and/or dependent(s) while they remain eligible for coverage under NYSHIP as a surviving spouse or dependent of the deceased Participant, and so such surviving spouse and/or dependent(s) shall be responsible, and shall reimburse the District, for the remaining 25%; and

(c.) payment for each sick day and vacation day that has accrued to such employee as of the date of termination of employment, has not been used, and has not otherwise lapsed, and which otherwise would be payable to the Participant at the rate of 75% of ending salary, shall be payable under this Policy at 100% of the annual salary in effect for such Participant at the time of his or her termination of employment, net of all income tax and other applicable payroll withholding; provided, however, that if the amount payable under this subclause “c.” exceeds \$50,000.00, then such amount shall be payable in two installments, the first, in the amount of \$50,000.00, payable within 30 days after the date of retirement, and the second, in the amount of the unpaid balance, payable on the 1st anniversary of the date of retirement.

4. The entitlement of a Participant to the financial incentives set forth herein fully vests upon the effective date of his or her voluntary termination of employment, and is not conditioned upon his or her receiving or being entitled to benefits under any retirement plan in which he or she is a member.

The adoption of the foregoing Resolution (#W171-23) was duly put to a vote on roll call, which resulted as follows:
